Color shades:

Greige

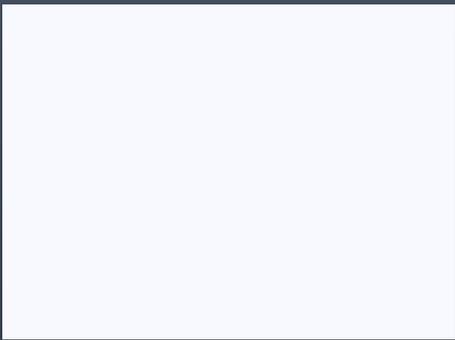

Between gray and beige

Product code: No: Jum-P-250001

Color shades:

Greige... Sophisticated neutral with a warm feel

Greige is a color that meets gray and beige, perfectly balancing elegant coolness with natural warmth.

It lends spaces a comfortable and sophisticated feel, blending easily with wooden furniture, natural light, and contemporary metal details. Ideal for living rooms, offices, and guest rooms seeking a calming backdrop that highlights the beauty of their surroundings without imposing a glaring presence.

Greige is like the calm that precedes admiration... a color that loves without declaring it.

dark gray

elegant dark gray

Product code: No: Jum-P-250004

Color shades:

Dark Gray... Balance Befitting Maturity

Dark gray reflects refined taste and deep tranquility.

It's a color that adds a touch of balance and professionalism to spaces, without losing its warmth or appeal.

Ideal for offices, meeting rooms, or spaces seeking a calm presence and understated confidence.

It blends easily with metal furniture, wood floors, and dim lighting to create a complete visual experience.

Choose it to let your walls tell the story of a silent... yet powerful presence.

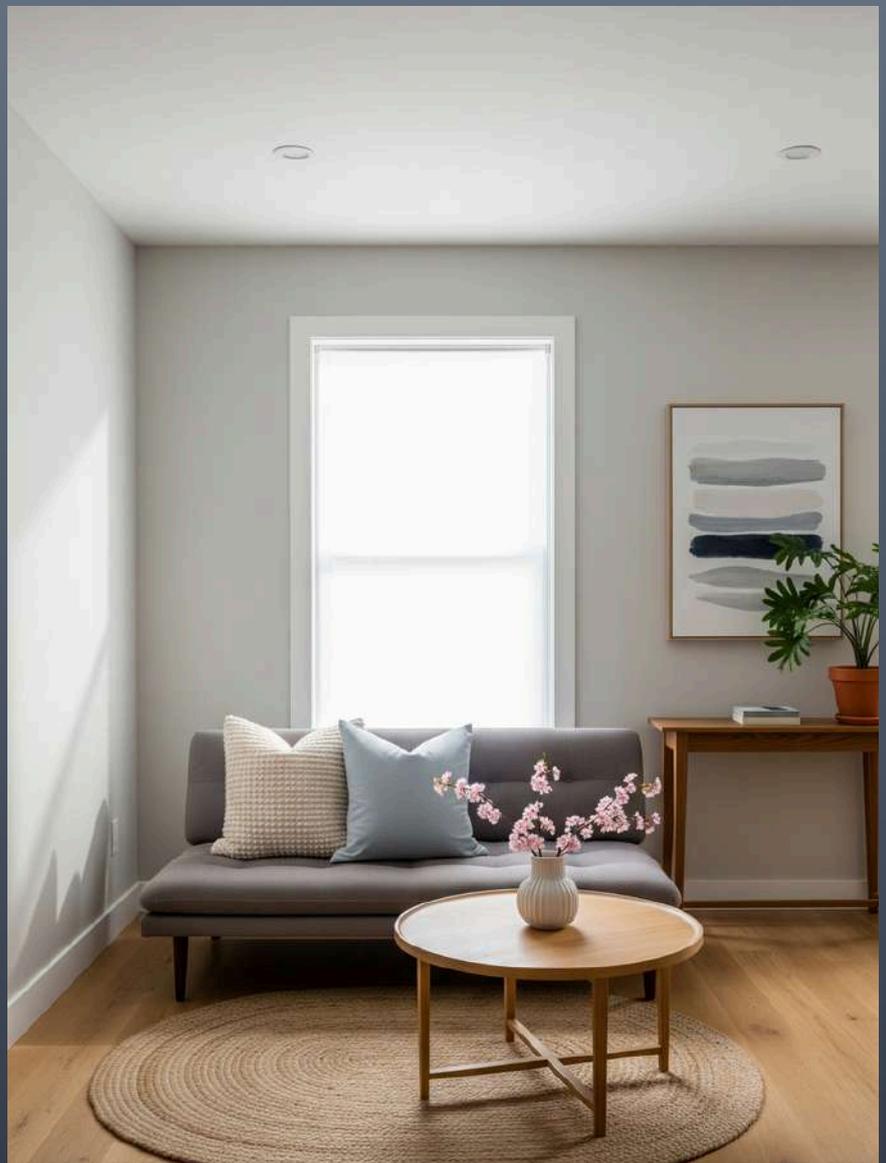

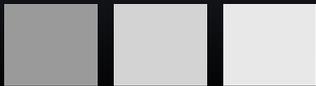

cotton gray

light neutral gray

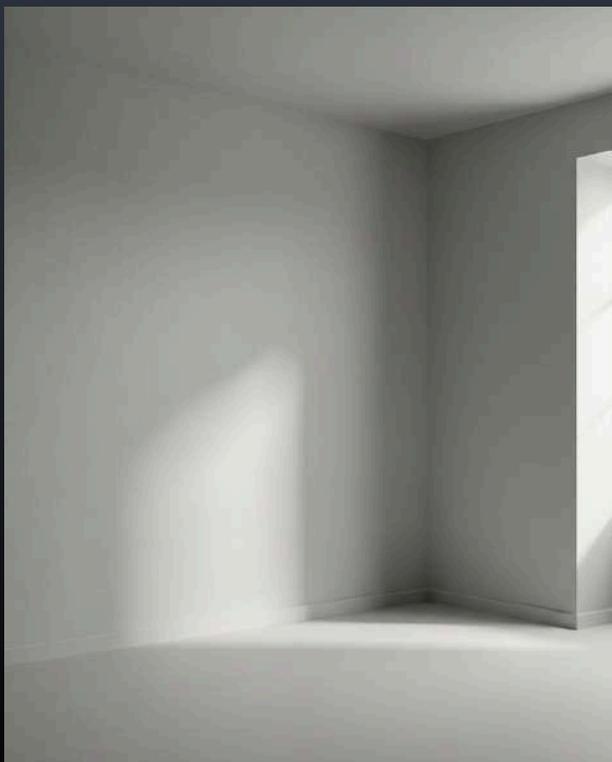

Product code: No: Jum-P-250005

Color shades:

■ Cotton Gray... A warmth that speaks quietly

Cotton Gray gives walls a touch of subtle elegance and comfortable balance. Its softness embraces the light, creating a sense of spaciousness and serenity. Ideal for living rooms, relaxation nooks, and hospitality spaces that require a sophisticated feel without fuss. It blends seamlessly with light wood furniture and muted accessories to create an environment that celebrates simplicity and luxury simultaneously.

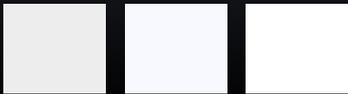

pearly white

Soft white with a slight sheen

Product code: No: Jum-P-250006

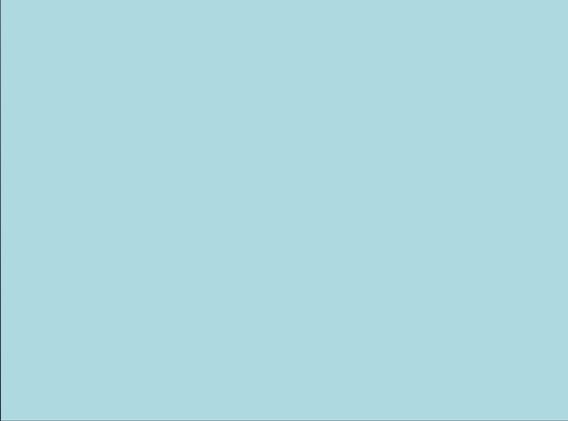

Color shades:

♥ Pearl White... A radiance that inspires detail

Pearl white isn't just a neutral color—it's the embodiment of sophistication and serenity. With its soft, lustrous hue, it creates the perfect backdrop to highlight the beauty of natural materials and elegant designs. It suits both modern and traditional spaces, giving the room a sense of spaciousness and reflected light, as if it were silently breathing. It complements earthy tones, muted gold, and even cotton gray to create a soft, balanced visual harmony.

sky blue

soft cool blue

Product code: No: Jum-P-250007

Color shades:

◆ Sky Blue... Serenity that Fills the Space

Sky blue gives walls a refreshing sense of light and tranquility.

It creates a visual purity that soothes the eye and provides a soft breath of air to interior spaces.

Ideal for bedrooms, meditation spaces, and quiet guest lounges that need a touch of calm and harmony.

It's a color that can't just be seen... it can be felt, with every pulse of serenity.

dark blue

luxurious blue

Product code: No: Jum-P-250008

Color shades:

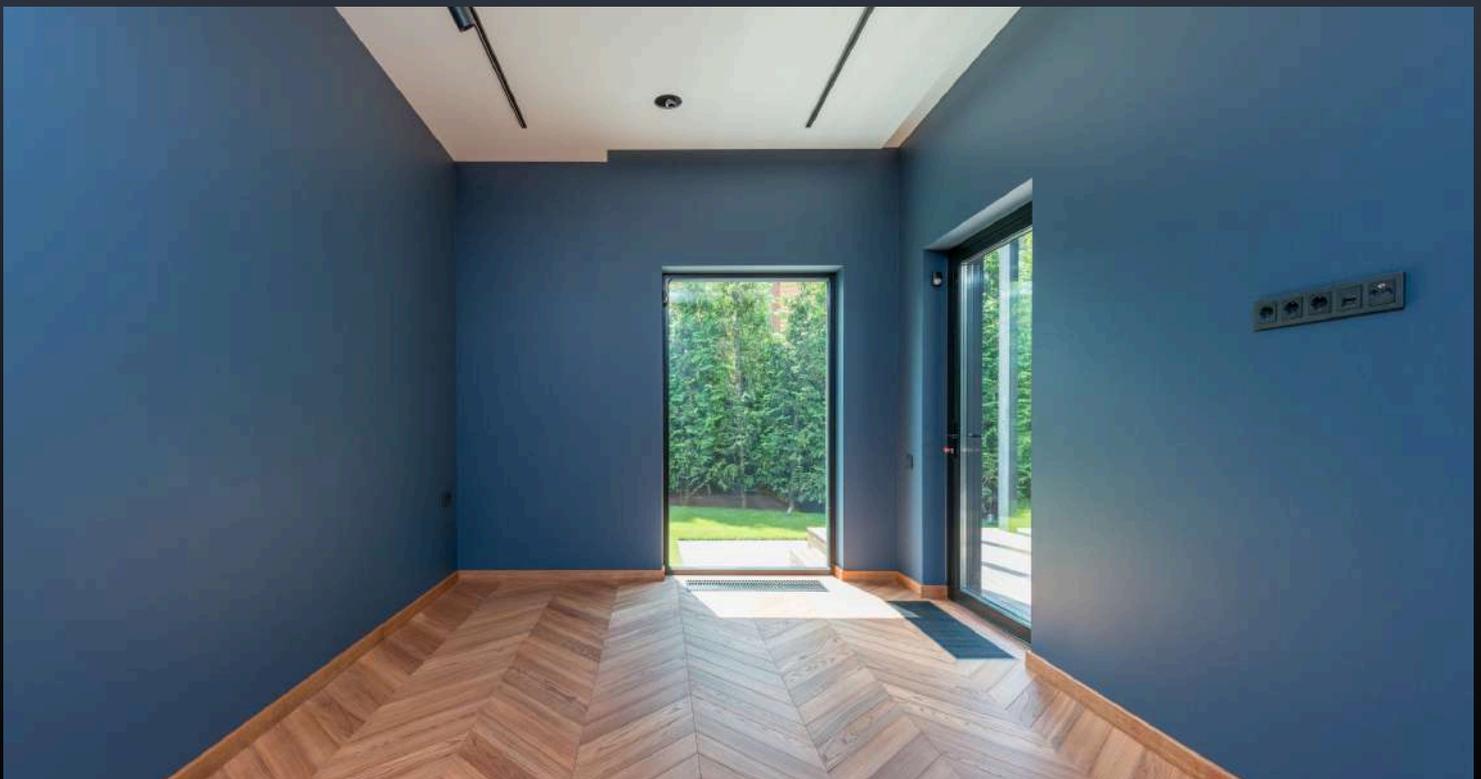

◆ Dark Blue... Depth for Modern Spaces

JUMP STEP's dark blue embodies a blend of luxury and tranquility.

With its rich hue, it gives walls a sophisticated feel that exudes confidence and distinction.

Ideal for living rooms, offices, or any space seeking a strong presence and unique identity.

A color that's not just seen... it's felt.

pale mauve

A combination of gray and purple, cool and soft, it adds a special calm and elegance to the walls.

Product code: No: Jum-P-250009

Color shades:

🌸 Pale Mauve... A serenity that whispers of luxury

Pale Mauve combines the elegance of royal colors with the softness of dreamy shades. It lends spaces a sense of calm and privacy, and is suitable for bedrooms, reading nooks, and quiet reception halls.

With its soft touch, it reflects a balance between luxury and nostalgia, transforming any wall into a work of art that exudes comfort.

Choose it to create a space that belongs to you in every detail.

sandy beige

Natural beige tends to be warm

Product code: No: Jum-P-250003

Color shades:

Sand Beige - A Touch of Warmth and Elegance

A color that combines tranquility and luxury, inspired by the purity of the sand under the sunlight. It gives any space or product a sense of comfort and harmony, adding a natural touch that reflects a timeless, sophisticated taste. Ideal for those looking for a balanced color base that highlights the beauty of the surrounding details.

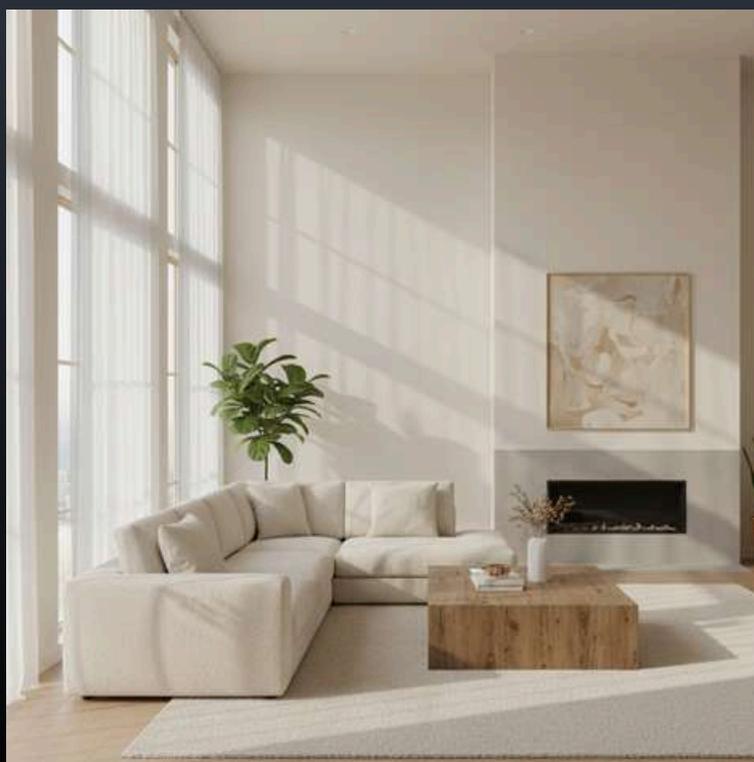

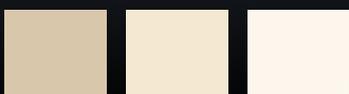

warm sugar

Beige with a slight reddish tint

Product code: No: Jum-P-2500011

Color shades:

Warm Sugar – A Softness That Touches the Senses

A calming color that exudes warmth and sophistication, inspired by the soft touch of sugar under the morning light. It gives your space a natural glow and a sense of comfort, serving as the perfect backdrop for all your elegant details. An ideal choice for those seeking a warm, welcoming atmosphere that will last a lifetime.

Royal maroon

Very luxurious dark red

Product code: No: Jum-P-2500015

Color shades:

Royal maroon – Warm Luxury

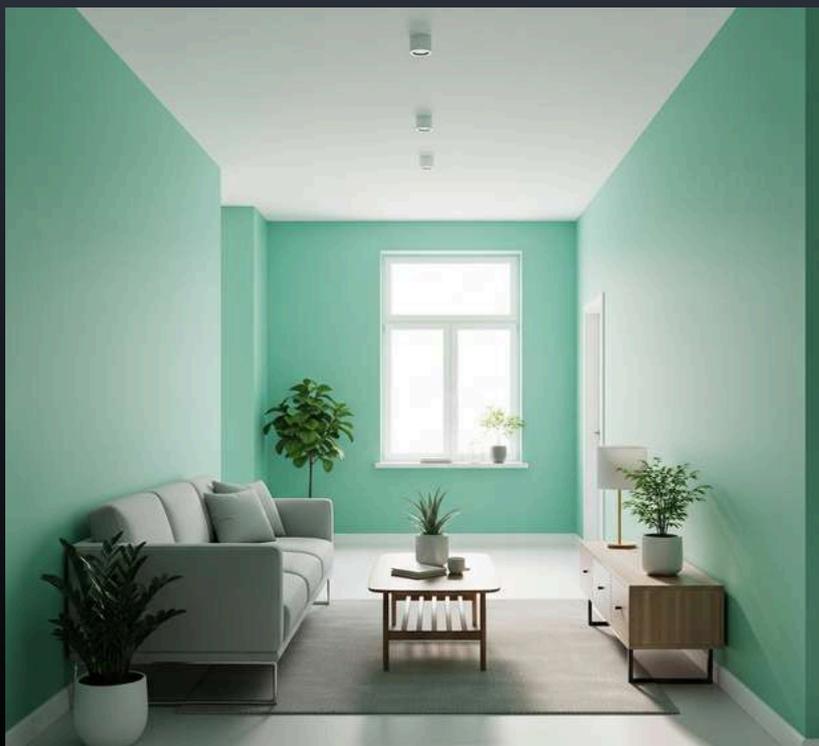

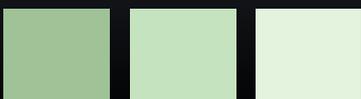

A deep hue that exudes sophistication and presence, inspired by the elegance of classic palaces and the warmth of intimate moments. It gives your space visual depth and a sense of luxury, serving as the perfect backdrop for all your sophisticated details. An ideal choice for those seeking a warm, luxurious atmosphere that will last a lifetime.

mint green

Light green, cool and refreshing

Product code: No: Jum-P-2500017

Color shades:

Mint Green - A Fresh Touch

A refreshing color inspired by mint leaves on a dewy spring morning, it infuses your space with a sense of vitality and serenity. Ideal for creating a relaxing and bright atmosphere, it gives walls a natural touch that inspires calm and renewal in every corner.

End of the catalog... and the beginning of your practical experience

In the world of color, paints are an essential element that reflects your taste and the elegance of your space. At Jump Step, we don't offer random solutions. Rather, we believe that every step of color selection and application is a story that must be told with precision and professionalism. Through this catalog, we have sought to simplify your experience and make it more meaningful, from choosing the right colors to completing the paint job in your home or commercial space. Our goal is for you to feel confident and find in our steps what suits your vision and aspirations.

- Professional service from paint experts
- Thoughtful steps that guarantee quality and precision
- Complete follow-up from booking to final delivery

Whether you're looking for a modern, classic, or distinctive design... Jump Step is your companion every step of the way. Start here, and make every color a step toward comfort and beauty.
